FMC-07

The Easy-to-Move Floor Mounting Cart for Meetboard Interactive Displays and Large Format Displays

The FMC-07 floor mounting cart allows easy movement and assembly, combined with the durable and lightweight design. This mobile cart features a stable tray and lockable castors. You can bring all the devices together and, likewise, ensuring the display remains secure.

The FMC-07 is a modular mounting set, so you can quickly assemble and install most of AG Neovo's 55" - 86" large format displays on the cart without any additional effort. The special castors have a reliable brake and mute design to prevent scratching the floor or having noise. With excellent mobility and user-friendly design, it's no doubt the FMC-07 floor mounting cart brings collaborative meetings and interactive learning to the next level.
